

The Butterfly Trust

Trusted care at home...

Greetings Butterfly friends,

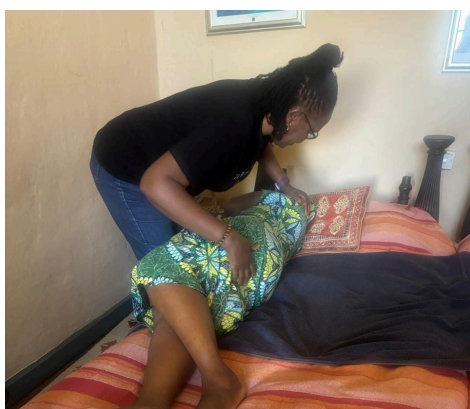

As we enter mid-2025, we look forward to updating you on our recent progress and upcoming events. Thank you for your support through donations, equipment, encouragement, and belief in our mission.

Current scope and impact

We are supporting and working with 79 carers, with 30 more awaiting placement. Your support directly benefits the families we serve.

Training highlights

Our home help training sessions held in March and May were successful, equipping house staff with valuable caregiving skills. We look forward to hosting more sessions in the months ahead and welcome your support - both financial and in-kind, to help make these trainings possible.

Friends Together Program
